Election/Restrictions

1. Applicant's election with traverse of the first species, readable on claims 1, 2, and 4 through 6, in the reply filed on January 23, 2006 is acknowledged. The traversal is on the ground(s) that the various disclosed species are not independent inventions. Applicant's traversal has been fully considered but is rendered moot by the allowability of generic base claim 1, as follows.

2. Claim 1 is generic and allowable. Accordingly, the restriction requirement as to the encompassed species is hereby withdrawn and claim 3, directed to the non-elected species is no longer withdrawn from consideration since all of the claims to this species depend from or otherwise include each of the limitations of an allowed generic claim.

In view of the above noted withdrawal of the restriction requirement as to the linked species, applicant(s) are advised that if any claim(s) depending from or including all the limitations of the allowable generic linking claim(s) be presented in a continuation or divisional application, such claims may be subject to provisional statutory and/or nonstatutory double patenting rejections over the claims of the instant application. Once a restriction requirement is withdrawn, the provisions of 35 U.S.C. 121 are no longer applicable. See *In re Ziegler*, 44 F.2d 1211, 1215, 170 USPQ 129, 131-32 (CCPA 1971). See also MPEP § 804.01.

Ex Parte Quayle

3. This application is thus in condition for allowance except for the following formal matters:

(A) The abstract of the disclosure is objected to because it is written in run-on fashion and in the form of a claim. Correction is required. See MPEP § 608.01(b).

(B) Claims 1 through 6 are objected to because of the following informalities: (a) "of:" should be inserted immediately following "the steps" [claim 1, line 3]; (b) "an" [claim 1, line 8] should be deleted; (c) "in dependence" [claim 1, line 9] should be replaced with "based"; "the" should be inserted immediately preceding "closing" [claim 2, line 2]; "greater/equal" [claim 3, lines 6, 10, and 13] should be replaced with "greater or equal"; and, "smaller/equal" [claim 3, line 9] should be replaced with "smaller or equal". Appropriate correction is required.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

Art Unit: 3753

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
